Re: Enactment of a Policy on Ending Gun Shows - SUPPORT

Dear President Shewmaker:

The League of Women Voters of North County San Diego would like to urge the 22nd District Agricultural Association Board of Directors to enact a policy prohibiting gun shows at the 22nd Agricultural District Fairgrounds.

“The League of Women Voters of the United States believes that the proliferation of handguns and semi-automatic assault weapons in the United States is a major health and safety threat to its citizens. The League supports strong federal measures to limit the accessibility and regulate the ownership of these weapons by private citizens. The League supports regulating firearms for consumer safety.”

The 22nd District Agricultural Association Board can increase public safety by reducing the number of guns brought into our towns and cities. The League strongly urges you to enact a policy to end gun shows at the San Diego County Fairgrounds.

Sincerely,
